

Executive Summary

Business Problem

The company is facing customer churn and inconsistent sales performance.

Objectives

- Reduce churn
- Increase customer retention
- Improve profitability

Key Findings

- High monthly charges increase churn probability
- Short-tenure customers are more likely to leave
- Some regions generate higher sales and profit

Recommendations

- Introduce loyalty programs
- Offer long-term discounts
- Improve onboarding experience

Expected Impact

- 15% reduction in churn
- 10% increase in sales
- Improved customer satisfaction
